

M'CARREN BEATEN, HIS MACHINE GETS ONLY ONE OFFICE

Tammany's Sweep of Manhattan and Bronx Finds No Brooklyn Echo.

FOLEY WINS BY 24,717.

Gerard Leads Tiger Ballot for Supreme Court With Biggest Vote.

The revised figures of yesterday's election do not materially diminish the strength of Tammany Hall's victory. It was the first time in the history of the Tammany organization that it made a straight fight and won against a concerted fusion opposition.

The Independence League is claiming a strength of 80,000 in Greater New York on the vote for Lyon and McDonough, the candidates on the Independence League ticket for the Court of Appeals Bench.

The Independence League, however, does not take into consideration the fact that the ancient order of the organization, the Chan-na-Gael and other Irish organizations of New York, were thoroughly canvassed during the campaign in the interest of McDonough, and that thousands of votes were cast for him and his associates by members of these organizations irrespective of their political beliefs.

Votes Not Estimated.—The Union Labor organization also voted strongly for McDonough, and Lyon, and that vote would have gone to them had they been on the Democratic or Republican ticket.

The vote given Ilmense for Sheriff establishes the Republican strength in Manhattan and the Bronx at about 72,000. Ilmense's defeat was the sore spot in the election for the Independence League leaders. All the resources of the organization were directed to electing him, and to have him run away behind Whitman and only a little ahead of Bruce was a bitter pill.

The vote for Sheriff was: Foley, 145,738; Ilmense, 120,671.

The largest number of votes polled by any candidate were given James W. Gerard, the Tammany candidate for the Supreme Court, who received 148,880 votes, as against 127,670 cast for Justice Bruce, his opponent.

With the indorsement of the Republicans and Tammany the two Barletts polled 263,219 votes for the Court of Appeals, while their opponents, McDonough and Lyon received 79,322 in the greater city.

Whitman Defeated.—Judge Whitman and his two associates running for the Court of General Sessions were defeated by the three Democratic candidates, while the six Tammany candidates for the City Court received majorities equal to or greater than that given Foley.

In the Assembly the Democrats gained six members, but the Republicans still have a majority of 42.

Elias Goodman, Republican leader in the Board of Aldermen, was defeated in the Thirty-third District by Samuel Marx by 14 votes.

That the Republican-Independence ticket was knifed freely was shown by surprising results in strong Republican districts on the west side where Tammany candidates won in Aldermanic and Assembly contests. Tammany elected ten of the fifteen Municipal Court Justices. Of the Democratic-Republican candidate, was defeated.

In Brooklyn the Independence League polled less than one-half of the votes cast for their opponents, but was the victor in the election of the County Clerk, District Attorney, on the McCarran ticket, elected. The Republicans elected the rest of the county officers.

McCarran Loses in Brooklyn.—Splitting of tickets in both New York and Brooklyn delayed the counting. Not until 12 o'clock this morning did the results of the McCarran election at Clark be known.

Timothy L. Woodruff said there was no doubt the thirteen Republican Assemblymen who represented the County in the last Legislature, were re-elected.

McCarran admitted that the Democratic ticket, with the exception of Clark, had been beaten. Although he had boasted that the Republican ticket for Sheriff had been elected by 7,500, McCarran was slow to accept the news as authentic.

The new Board of Aldermen will be overwhelmingly Democratic. The present board is nominally controlled by the opposition.

Gov. James H. Higgins (Dem.) was re-elected in Rhode Island, and persons from all but one district in the State indicate that he will have a Democratic Lieutenant-Governor in office with him this year, with the rest of the State ticket remaining Republican. Gov. Higgins has plurality of 2,400 votes over Lieut.-Gov. Frederick H. Jackson (Rep.), who opposed him, polling 32,325 votes to 29,917 for Jackson, a Democratic gain of 1,000.

The next General Assembly will again be strongly Republican, six representatives being elected by the Republican party to places held last year by Democrats. This will insure the election of George Peabody Wetmore, of Newport, to the United States Senate.

Augustus E. Wilson, Republican candidate for Governor, and the entire State ticket have been elected in the normally Democratic State of Kentucky by majorities ranging from 4,000 to 10,000 and the Republicans have carried the city of Louisville for both State and city tickets. Grinstead, Republican, is elected Mayor of Louisville by 4,683 majority. He will be the second Republican Mayor Louisville ever had.

Crothers in Maryland.—Incomplete but reliable indicative returns show that the Democratic selected Judge Austin L. Crothers Governor of Maryland and carried in the entire State ticket by an estimated plurality of 7,000.

Massachusetts went Republican by an even more overwhelming majority than usual.

The revised totals give Gov. Guild, who was a candidate for re-election, a plurality over Henry M. Whitney, Democrat, of 105,051—the largest since Gov. Walcott's landslide in 1898. Thomas L. Higen, candidate for the Independence League, polled the surprisingly large vote of 74,465. Charles W. Bartlett, the anti-railroad merger candidate, polled only 11,710. Last year Gov. Guild had 21,757 votes more than John B. Moran, who headed the Democratic, Independent League and Prohibition tickets.

In Cleveland the State ticket, headed by E. F. Noel for Governor, was elected in Mississippi without opposition. Only a small vote was cast.

Nebraska Republican.—That M. P. Reese, Republican, has been elected Justice of the Supreme Court in Nebraska by a majority of 20,000 votes, and that the Republican ticket was elected in the Thirty-third District by Samuel Marx by 14 votes.

That the Republican-Independence ticket was knifed freely was shown by surprising results in strong Republican districts on the west side where Tammany candidates won in Aldermanic and Assembly contests. Tammany elected ten of the fifteen Municipal Court Justices. Of the Democratic-Republican candidate, was defeated.

In Brooklyn the Independence League polled less than one-half of the votes cast for their opponents, but was the victor in the election of the County Clerk, District Attorney, on the McCarran ticket, elected. The Republicans elected the rest of the county officers.
